NAVIGATOR FOOD & DRINK

A SLICE OF LIFE

The humble sandwich is achieving cult status in the States. **Rachael Shapiro** reveals the top spots to grab a bite

San Francisco

Wichcraft (wichcraftnyc.com), a New York chain devoted to excellence in sandwiches, has opened outposts in San Francisco and Las Vegas. Classy treats like grilled Gruyère on rye teamed with caramelised onions has won this sandwich store a cult following. Plus a new cookbook, *wichcraft* (£18, Clarkson Potter) by Tom Colicchio, allows you to re-create these haute sandwiches at home.
